- (d) <u>Hazardous Materials</u>. No goods, merchandise, or materials shall be kept, stored, or sold in such a manner as to create any unusual hazard on the Premises; and no offensive or dangerous trade, business, or occupation shall be conducted thereon, and nothing shall be done on the Premises which will cause an increase in the rate of or cause a suspension or cancellation of the insurance upon the Premises or upon adjacent properties or improvements thereon.

No machinery or apparatus shall be used or operated on the Premises, which will in any way injure the Premises, or adjacent properties or improvements thereon.

Tenant shall indemnify Landlord from any damages suffered by Landlord, including, without limitation, cleanup costs, as a result of the generation, use, storage, transport, or release of hazardous materials by Tenant in, on, or about the Premises or the Property. For the purpose of this Agreement, the term "hazardous materials" shall mean (A) those substances listed in Title 22 section 66680 of the California Administrative Code, (B) substances within the criteria set forth in Title 22 sections 66693 through 66723 of the California Administrative Code, (C) substances which, at any time during the term hereof, are added to the list described in paragraph (A) above or which are within any future criteria described in subparagraph (B) above, (D) petroleum and all byproducts and distillates thereof, and (E) asbestos. In all events, if any hazardous materials become located upon the Property for any reason other than as consented to by Landlord in accordance with the foregoing procedure; Tenant shall immediately notify Landlord as to the same.

- (e) Effect on Navigable Waters. Under federal law, no construction, installation, dredging, filling, or other activity, which would have an effect on navigation, may be conducted in or adjoining navigable waters without a permit therefore first being issued by the Secretary of the Army. The Port Director determines whether any proposed facility of Tenant may be construed to have an effect on navigation. In the event the Port Director so determines, Tenant shall prepare at its expense a permit application for submittal by Landlord in Landlord's name to the Corps of Engineers, United States Army. The permit application shall be prepared in strict conformity with regulations published by the United States Army.

Tenant shall not permit the Premises to be used for any purpose not described in Paragraph 5(a) or for any unlawful purpose; and Tenant shall not perform, permit, or suffer any act of omission or commission upon or about the Premises which would result in a nuisance or a violation of the laws and ordinances of the United States, State of California, or City of Santa Cruz, as the same may be now or hereafter in force and effect. Without limiting the generality of the foregoing, Tenant specifically agrees not to cause or permit generation of unreasonable levels of noise from other sources, which might disturb liveaboard slip licensees, or residential neighbors of the Port District from 9:00 pm until 6:00 am each day during the lease term. Tenant further specifically agrees to prevent emission from the Premises into the air of any smoke or other noxious substances, or any odors reasonably deemed offensive to personnel of Landlord, liveaboard slip licensees or residential neighbors of the Port District.
- (g) <u>Compliance with Laws.</u> Tenant shall abide by all applicable rules, codes, regulations, resolutions, ordinances and statutes of Landlord, the City of Santa Cruz, County of Santa Cruz, California Coastal Commission, State of California, or other governmental body where applicable, respecting the use, operation, maintenance, repair or improvement of the Premises and equipment therein, and shall pay for any and all licenses or permits required in connection with the use, operation, maintenance, repair, or improvement of the Premises.

6. Ownership of Improvements. All structures, buildings, improvements, additions, and fixtures now existing or hereafter constructed, erected, or installed in or upon the Premises, and all alterations and additions thereto, shall be deemed a part of the Premises and title thereto shall be deemed vested in and remain in Landlord during the agreement term, and upon expiration or sooner termination of the agreement term shall remain upon and be surrendered with the Premises as part thereof.

7. Construction of Improvements.

- (a) <u>No Landlord Improvements.</u> Landlord shall not be obligated to install or construct any improvements, additions, or alterations (collectively called "improvements") on the Premises during the agreement term.
- (b) <u>Tenant Improvements.</u> Tenant may, at Tenant's expense, construct certain new additions and improvements to the Premises required in connection with the conduct of Tenant's business; provided, (a) that Tenant shall obtain, at Tenant's expense, all necessary plans and specifications for the construction of said additions and improvements, (2) that Tenant's plans and specifications shall be subject to review and prior written approval by Landlord, and (3) that Tenant shall be responsible for obtaining, at Tenant's expense, all necessary governmental permits and approvals for construction of any new additions or improvements to the Premises.
- (c) <u>Liens.</u> Tenant shall keep the Premises free from any liens arising out of any work performed, materials furnished, or obligations incurred by Tenant. Tenant shall indemnify and hold Landlord harmless against liability, loss, damage, cost, and all other expenses (including but without limitation, attorneys' fees) arising out of claims of lien for work performed or materials or supplies furnished at the request of Tenant or persons claiming under Tenant.

8. Taxes and Assessments.

- (a) Payable by Tenant. Tenant shall pay directly to the taxing authority during each year or partial year during the term hereof, all real and personal property taxes, general and special assessments, use and possessory taxes, environmental protection charges, and other charges of every kind or description whatsoever, foreseen or unforeseen, levied on or assessed against the Premises, improvements or personal property therein, the leasehold estate or any personal property therein, the leasehold estate or any subleasehold estate permitted by Landlord. Tenant shall pay each installment of such taxes and assessments prior to the date such installment becomes delinquent. The taxes and assessments to be paid by Tenant hereunder shall be prorated at the end of the agreement term, in order that Tenant will pay only the proportionate part of said taxes and assessments attributable to the period of the agreement term, based on the ratio of the unit's square feet to the building's total square feet.
- (b) <u>Substitute Taxes.</u> If at any time during the agreement, under the laws of the United States of America, the State of California, or any political subdivision thereof in which the Premises are located, a tax on rent or other charge by whatever name called, is levied, assessed, or imposed against Landlord, or against the rent payable hereunder to Landlord, as a substitute in whole or in part for any of the taxes described in Paragraph 8(a), Tenant, to the extent such substitute tax or other charge relieves Tenant from the payment of taxes provided for herein, shall pay such tax or other charge in the manner provided in this Paragraph 8.

9. Insurance.

- (a) Casualty Insurance. If indicated in Section 1, Landlord shall, at Tenant's expense, procure and maintain in full force and effect at all times during the term of this agreement, fire, and extended coverage insurance satisfactory to Landlord covering the Premises and all improvements therein in an amount not less than ninety percent (90%) of the actual replacement cost thereof. The insurance provided for in this Paragraph 9(a) shall, in Landlord's sole discretion, provide protection against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief, special extended perils (all risk), including earthquake, and loss of rents covering Fixed Minimum Rent for a period of up to twelve (12) months, and shall contain an inflation endorsement. Insurance proceeds thereunder shall be payable to Landlord. Landlord shall have no obligation to insure against loss by Tenant to Tenant's leasehold improvements, fixtures, furniture, or other personal property in or about the Premises occurring from any cause whatsoever and Tenant shall have no interest in the proceeds of any insurance carried by Landlord. Landlord shall be entitled to carry any such insurance in the form of a blanket policy covering property in addition to the Premises. Tenant shall reimburse Landlord upon demand for its share of the cost to Landlord of any insurance policy or policies, which Landlord may carry on the Premises in accordance with this paragraph. Such costs shall include both premiums and deductibles. Tenant's share of the cost of such insurance shall be a prorated share based upon the portion of the building square footage contained within the Premises, or if in Landlord's reasonable judgment the foregoing square footage based apportionment does not fairly apportion the insurance costs related to the building, landlord may adjust such insurance costs as appropriate to reflect any disparity in risk level or other factors which may affect the relative cost of insurance between and among all tenants of the building; as to any blanket policy of insurance covering properties other than the building, the portion of insurance costs allocable to the building shall be as equitably determined by Landlord. The premiums for such insurance of Landlord shall be prorated as of the expiration of the agreement term so that Tenant pays only for insurance coverage attributable to the agreement term.
- (b) <u>Liability Insurance</u>. Tenant, at Tenant's sole expense, shall provide and keep in force at all times during the term of this agreement for the benefit of Landlord and Tenant general liability insurance policies with an insurance company reasonably satisfactory to Landlord, protecting Landlord and Tenant against any and all liability occasioned by any occurrence in, on, about, or related to the Premises in an amount not less than the amount indicated in Section 1, single combined limit for personal injury and property damage. Tenant shall cause Landlord to be named as an additional insured under such policy.
- (c) <u>Workers' Compensation Insurance.</u> Tenant shall procure, at its own expense, and shall keep in force during the agreement term, adequate insurance against liability arising on account of injuries or death to workers or employees on the Premises. Such workers' compensation insurance shall be in amounts at least equal to the maximum liability of Tenant, its agents, and contractors under the Workers' Compensation Insurance and Safety Act of the State of California or other applicable laws.
- (d) <u>Other Insurance.</u> Tenant shall procure, at its sole cost and expense, and shall keep in force, such other insurance in amounts from time to time reasonably required by Landlord against other insurable risks if at the time they are commonly insured against for business operations similar to that of Tenant.
- (e) <u>Written Notice of Cancellation or Reduction.</u> Each policy of insurance, which Tenant is required to procure and maintain in effect, shall contain the following clause:

"It is agreed that this policy shall not be cancelled nor the coverage reduced until thirty (30) days after the Port Director of Santa Cruz Port District shall have received written notice of such cancellation or reduction. The notice shall be sent by certified or registered mail and shall be deemed effective the date delivered to said Port Director, as evidenced by properly validated return receipt."

- (f) Waiver of Subrogation. Tenant and Landlord each hereby waives any and all rights of recovery against the other, and against the officers, employees, agents and representatives of the other, for loss of or damage to such waiving party or its property or the property of others under its control, where such loss or damage is insured against under any insurance policy in force at the time of such loss or damage to the extent of the insurance proceeds actually paid in connection therewith. Tenant and Landlord shall, upon obtaining any of the policies of insurance required or desired hereunder, give notice to the insurance carrier or carriers that the foregoing mutual waiver of rights of recovery is contained in this agreement, and shall each use their best efforts to cause the insurer for each such policy to waive in writing any rights of subrogation it may have against the other party.
- (g) <u>Submittal of Policies</u>. Tenant agrees to deposit with Landlord, at or before the times at which the insurance policies necessary to satisfy the insurance provisions of this agreement are required to be in effect, a copy of each such policy or policies required hereunder and to keep such insurance in effect and the policy or policies therefore on deposit with Landlord during the entire term of this agreement.
- (h) Review of Coverage. Landlord shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If, in the opinion of Landlord, the insurance provisions in this agreement do not provide adequate protection for Landlord and for members of the public using the Premises, Landlord may require Tenant to obtain (or may obtain at Tenant's expense) insurance sufficient in coverage, form and amount to provide adequate protection. Landlord's requirements shall be reasonable but shall be designed to assure protection from and against the kind and extent of the risks, which exist at the time a change in insurance is required.

Landlord shall give Tenant written notice of changes in the insurance requirement and Tenant shall deposit copies of acceptable insurance policies with Landlord incorporating such changes within sixty (60) days following receipt of such notice.

The procuring of such required policy or policies of insurance shall not be construed to limit Tenant's liability hereunder nor to fulfill the indemnification provisions and requirements of this agreement. Notwithstanding said policy or policies or insurance, Tenant shall be obligated for the full and total amount of any damage, injury, or loss caused by Tenant's negligence or neglect connected with this agreement or with use or occupancy of the Premises.

(i) <u>Landlord's Remedies.</u> In case of failure on the part of Tenant to procure or to maintain in effect any insurance which Tenant is required to carry as provided in this Paragraph 9, Landlord may at its discretion, and in addition to any other remedies it may have upon failure of Tenant to procure or to maintain in effect any insurance which Tenant is required to carry as provided in this Paragraph 9, procure or renew such insurance and pay any and all premiums therefore and all monies so paid by Landlord shall be repaid by Tenant to Landlord upon demand.

10. Indemnification.

- (a) <u>Tenant's Hold Harmless</u>. Tenant hereby indemnifies Landlord against and holds Landlord harmless from any and all claims, damage, cost, liability, or expense, including but not limited to attorneys' fees and costs of suit, resulting from or arising out of Tenant's use of the Premises, Tenant's default in the performance of any obligation of Tenant under this agreement, any act or failure to act of Tenant or any employees, agents, contractors, customers, or other invitees of Tenant occurring in or about the Premises, or construction of any improvements by Tenant in the Premises. Such indemnification specifically includes without limitation any damage to property or injury or death to any person arising from the use of the Premises by Tenant or from the failure of Tenant to keep the Premises in good condition, order, and repair. Tenant expressly agrees to exercise due care in the handling of fuel or any other flammable materials in, on, or around the Premises. Tenant shall maintain on the Premises adequate firefighting equipment, which shall remain under the use, control, maintenance, and repair of Tenant.
- (b) <u>Tenant's Waiver of Claims.</u> Tenant hereby waives all claims against Landlord for damage to any property, goods, wares, or merchandise of Tenant stored in, upon, or about the Premises, and for injury to persons in, upon, or about the Premises from any cause whatsoever arising at any time, except as may be caused by the active negligence or willful misconduct of Landlord. Landlord shall not be liable to Tenant for any damage caused by any act or negligence of any person, other than Landlord's personnel, in, upon, or about the Premises, whether a customer of Tenant or otherwise. Tenant expressly waives any claims against Landlord for damage to Tenant's business on the Premises or loss of goodwill or any other damage to Tenant arising from complete or partial closure of the Santa Cruz Harbor at any time and from time to time, whether such closure shall result from inclement weather, excess deposits of sand in the harbor, or any other reason whatsoever. Landlord shall have no obligation or responsibility to dredge the entrance channel of the Santa Cruz Harbor.

11. Maintenance and Repairs.

- (a) <u>Tenant's Obligations.</u> Subject to Paragraph 15 below relating to damage and destruction, and subject to Landlord's maintenance responsibilities set forth in Paragraph 11(c) below, through the term of this agreement Tenant shall, at Tenant's sole cost and expense, maintain the Premises and every part thereof, and all fixtures, machinery and equipment located in or on the Premises and utilized in the conduct of Tenant's business in first class condition, order and repair, and in accordance with all applicable laws, rules, ordinances, orders and regulations of (1) municipal, county, state, federal, and other governmental agencies and bodies having or claiming jurisdiction of the Premises and all their respective departments, bureaus, and officials; and (2) all insurance companies insuring all or any part of the Premises or improves or both. For purposes of this paragraph, the obligation to repair includes the obligation to replace as and when reasonably necessary. Tenant hereby waives such rights as it may have under California Civil Code Sections 1941 and 1942 and any similar or successor laws that permit a tenant to perform repairs and offset the cost thereof against rent.
- (b) <u>Outside Areas.</u> Tenant acknowledges that the cleanliness and neat and attractive appearance of the interior and exterior of the Building and all other areas of the Premises are a material concern of Landlord. Accordingly, Tenant shall continuously exercise diligence throughout the agreement term in keeping the Premises and the Outside Area in a neat, clean, sanitary, and attractive condition. Tenant shall arrange for regular and prompt disposal of garbage generated by Tenant's operations on the Premises, and shall not permit garbage or refuse to accumulate in or around the Premises. Tenant shall not cause or permit offensive odors to emanate from the Premises.

- (c) <u>Landlord's Obligations</u>. Notwithstanding anything to the contrary contained in this Paragraph 11, and subject to the provisions of Paragraph 15 below relating to damage and destruction, Landlord shall maintain in good condition, order and repair the parking area upon the Property, the heating, ventilation and air conditioning equipment, if any, servicing the Premises, and the structural portions of the Building, including the roof, walls and foundation of the Building, except to the extent any such maintenance is necessitated by damages due to the negligence or greater culpability of Tenant, its agents, employees or invitees. Landlord shall have no obligation to maintain or repair under this Paragraph 11(c) until a reasonable period of time after receipt by Landlord of notice from Tenant of the need therefore, specifying the nature of the maintenance or repair needed.
- 12. <u>Utilities.</u> Tenant shall pay promptly as the same become due and payable its pro rata share of all bills and costs for water, gas, electricity, refuse pickup, sewer service charges, and any other utilities or services supplied to the Premises as indicated in Section 1. Tenant shall pay its pro rata share of utilities within five (5) days of receiving notice from Landlord as to the amount thereof. The parties hereby agree that Tenant's pro rata share of said utility costs shall be reasonably calculated by Landlord and conveyed to Tenant. In no event shall Landlord be liable to Tenant for any interruption or failure of any utility services to the Premises.

13. Assignment and Subletting.

- (a) <u>Landlord's Consent Required.</u> Tenant shall not assign, sublease, mortgage, pledge, hypothecate, encumber, or transfer the Premises or any part thereof, or this agreement or any rights or obligations hereunder without Landlord's written consent.
- (b) <u>Incorporation of Terms.</u> Should Landlord consent to any Transfer such consent shall not constitute a waiver of any of the terms, covenants, or conditions of this agreement. Such terms, covenants, or conditions shall apply to each and every transfer hereunder and shall be severally binding upon each and every encumbrancer, assignee, transferee, subtenant, or other successor in interest of tenant. Any document to mortgage, pledge, hypothecate, encumber, transfer, sublet, or assign the Premises or any part thereof shall incorporate directly or by reference all the provisions of this agreement.

14. Damage or Destruction.

- (a) <u>Partial Damage-Insured.</u> Subject to the provisions of Paragraphs 15(c) and 15(d), if the Premises or any improvements therein are damaged, such damage involves damage to the building to the extent of less than eighty percent (80%) of the then replacement value thereof (excluding excavations and foundations of the building), such damage was caused by an act or casualty covered under an insurance policy provided for in Paragraph 9, and the proceeds of such insurance received by Landlord are sufficient to repair the damage, Landlord shall at Landlord's expense repair such damage as soon as reasonably possible and this agreement shall continue in full force and effect.
- (b) <u>Partial Damage-Uninsured.</u> Subject to the provisions of Paragraphs 15(c) and 15(d), if at any time during the term hereof the Premises or any improvements are damaged, such damage involves damage to the Building to the extent of less than eighty percent (80%) of the then replacement value thereof (excluding excavations and foundations of the building), and the insurance proceeds received by Landlord are not sufficient to repair such damage, or such damage was caused by an act or casualty not covered under an insurance policy, Landlord may at Landlord's option either (a) repair such damage as soon as reasonably possible at Landlord's expense, in which event this continue in full

force and effect, or (b) give written notice to Tenant within thirty (30) days after the date of the occurrence of such damage of Landlord's intention to cancel and terminate this agreement as of the date of the occurrence of such damage.

- (c) <u>Total Destruction</u>. If at any time during the term hereof either the Premises or the improvements contained therein are damaged from any cause, whether or not covered by the insurance provided for in Paragraph 9, and such damage involves damage to the Building to the extent of eighty percent (80%) or more of the replacement value thereof (excluding excavations and foundations of the Building), including any total destruction required by any authorized public authority, this Lease shall at the option of Landlord terminate as of the date of such total destruction. Landlord shall exercise its right to terminate this agreement by delivery of notice to Tenant within thirty (30) days after the date that Tenant notifies Landlord of the occurrence of such damage. In the event Landlord does not elect to terminate this agreement, Landlord shall at Landlord's expense repair such damage as soon as reasonably possible, and this Lease shall continue in full force and effect.
- (d) <u>Damage Near End of Term.</u> If the Premises or the improvements therein are destroyed or damaged in whole or part during the last six (6) months of the term of this agreement, Landlord may at Landlord's option cancel and terminate this agreement as of the date of occurrence of such damage by giving written notice to Tenant of Landlord's election to do so within thirty (30) days after the date of occurrence of such damage.
- (e) Abatement of Rent. Notwithstanding anything to the contrary contained elsewhere in this Lease, if the Premises are partially damaged and Landlord repairs or restores them pursuant to the provisions of this agreement Paragraph 14, the Fixed Minimum Rent payable hereunder for the period commencing on the occurrence of such damage and ending upon completion of such repair or restoration shall be abated in proportion to the degree to which Tenant's use of the Premises is impaired during the period of repair; provided that, nothing herein shall be construed to preclude Landlord from being entitled to collect the full amount of any rental loss insurance proceeds if such rental loss insurance is then carried with respect to the Premises. Except for abatement of rent, if any, Tenant shall have no claim against Landlord for any damage suffered by reason of any such damage, destruction, repair, or restoration.
- (f) <u>Waiver.</u> Tenant waives the provisions of California Civil Code Sections 1932(2) and 1933(4), and any similar or successor statutes relating to termination of agreement when the agreement term is substantially or entirely destroyed, and agrees that such event shall be governed by the terms of this agreement.
- (g) <u>Tenant's Property.</u> Landlord's obligation to rebuild or restore shall not include restoration of Tenant's equipment, merchandise, or any improvements, alterations or additions made by Tenant to the Premises.
- (h) <u>Notice of Damage.</u> Tenant shall notify Landlord within five (5) days after the occurrence thereof of any damage to all or any portion of the Premises. In no event shall Landlord have any obligation to repair or restore the Premises pursuant to this Paragraph 14 until a reasonable period of time after Landlord's receipt of notice from Tenant of the nature and scope of any damage to the Premises, and a reasonable period of time to collect insurance proceeds arising from such damage (unless such damage is clearly not covered by insurance then in effect covering the Premises).

(i) Replacement Cost. The determination in good faith by Landlord of the estimated cost of repair of any damage, or of the replacement cost, shall be conclusive for purposes of this Paragraph 14.

15. Eminent Domain.

- (a) <u>Termination.</u> In the event the whole or any part of the Premises is condemned in the lawful exercise of the power of eminent domain by any public entity, then this agreement shall terminate as to the part condemned on the date possession of that part is taken.
- (b) <u>Partial Taking Renders Economically Unfeasible.</u> If only a part of the Premises is condemned, but such taking makes it economically unfeasible for Tenant to use the remainder of the Premises for the purposes contemplated by this agreement, then Tenant may, at its option, terminate this agreement as of the date possession of the condemned part is taken by giving written notice to Landlord of its intention within thirty (30) days following the date said possession is taken.
- (c) <u>Partial Taking with Business Continued.</u> If only part of the Premises is condemned and this agreement terminated as set forth above, then this Lease shall, as to the condemned portion of the Premises, terminate as of the date possession of such portion is taken. The Fixed Minimum Rent shall thereupon be reduced in the same proportion that the area of the Premises taken bears to the initial total area of the Premises. Fixed Minimum Rent, as so reduced, shall continue to be subject to adjustment in accordance with Paragraph 4 hereof.
- (d) <u>Repairs.</u> Tenant shall, at its sole cost and expense and in a prompt and expeditious manner, make all necessary repairs or alterations to the remainder of the Premises so as to make them reasonably suitable for Tenant's continued occupancy for those uses and purposes contemplated by this agreement.
- (e) <u>Compensation.</u> All compensation awarded or paid upon the total or partial taking of the fee title to the Premises or part of the Premises, or for the taking of all or any portion of the Premises, shall belong to Landlord. The Building and other improvements made by Landlord on the Premises at Landlord's expense shall belong to Landlord. Landlord shall not be entitled to any compensation paid to Tenant for costs incurred by Tenant in removing its furniture, equipment, and trade fixtures from the condemned Premises.
- 16. <u>Tenant Default.</u> Tenant shall be deemed in default under this agreement upon occurrence of any of the following:

(a) Tenant Default

- (1) Tenant fails to pay a monetary sum when due under this Lease (provided that Tenant shall not be deemed in default if Tenant pays such sum within ten (10) days after notice from Landlord that such sum is overdue; and provided further that, Tenant shall not be entitled to any such ten (10) day grace period or notice and shall be deemed in default immediately upon failure to so pay when due if Landlord has already delivered two notices of overdue payments within the immediately preceding twelve (12) month period;
- (2) Tenant fails to perform any of its other obligations under this agreement provided that, if such failure is of the nature that it may be cured, Tenant shall not be deemed in default if Tenant cures such failure within twenty (20) days after notice from Landlord of such failure;

- (3) Tenant's interest in the Premises or the Lease, or any part thereof, is assigned or transferred, either voluntarily or by operation of law (except as expressly permitted by other provisions of this agreement), including, without limitation, the filing of an action by or against Tenant, or by any member of Tenant if Tenant is a partnership or joint venture, under any insolvency or bankruptcy laws, or if Tenant makes a general assignment for the benefit of its creditors, or;
- (4) Tenant vacates, abandons, or surrenders the Premises during the agreement term. In the event of a default by Tenant under this agreement, Landlord may pursue such remedies as it may have for such default under law or in equity, including but not limited to the remedies set forth below.
- (b) <u>Repossession.</u> Landlord may repossess the Premises and remove all persons and property therefrom. If Landlord repossesses the Premises because of a breach of this Lease, this agreement shall terminate and Landlord may recover from Tenant:
- (1) the worth at the time of award of the unpaid rent, which had been earned at the time of termination including interest at ten percent (10%) per annum;
- (2) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided including interest at ten percent (10%) per annum;
- (3) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for the same period that Tenant proves could be reasonably avoided, computed by discounting such amount by the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%); and
- (4) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this agreement or which in the ordinary course of things would be likely to result therefrom.
- (c) <u>No Repossession.</u> If Landlord does not repossess the Premises, then this agreement shall continue in effect for so long as Landlord does not terminate Tenant's right to possession and Landlord may enforce all of its rights and remedies under this agreement, including the right to recover the rent and other sums due from Tenant hereunder. For the purposes of this Paragraph 16, the following do not constitute a termination of Tenant's right to possession:
- (1) Acts of maintenance or preservation by Landlord or efforts by landlord to relent the Premises; or
- (2) The appointment of a receiver by landlord to protect Landlord's interest under this agreement.
- 17. <u>Attorneys' Fees.</u> If any action at law or in equity shall be brought to recover any rent under this Lease, or for or on account of any breach of or to enforce or interpret any of the terms, covenants, agreements, or conditions of this agreement or for the recovery of the possession of the Premises, the prevailing party shall be entitled to recover from the other party, as a part of the

prevailing party's costs, reasonable attorneys' fees, the amount of which shall be fixed by the court and shall be made a part of any judgement rendered. "Prevailing party" within the meaning of this paragraph shall include, without limitation, a party who brings an action against the other party after the other party's breach or default, if such action is settled or dismissed upon the payment by the other party of the sums allegedly due or performance of the covenants allegedly breached or the plaintiff obtains substantially the relief sought by it in the action.

18. Removal of Property. Tenant hereby irrevocably appoints Landlord as agent and attorney in fact of Tenant to enter upon the Premises in the event of a default by Tenant in the payment of any rent herein reserved, or in the performance of any term, covenant, or condition herein contained to be kept or performed by Tenant, and to remove any and all furniture and personal property whatsoever situated upon the Premises, and to place such property in storage for the account of and at the expense of Tenant. In the event that Tenant shall not pay the cost of storing any such property after the property has been stored for a period of ninety (90) days or more, Landlord may sell any or all of such property, at public or private sale, in such manner and at such times and places as Landlord in its sole discretion may deem proper, without notice to Tenant or any demand upon Tenant for the payment of any part of such charge or the removal of any such property and shall apply the proceeds of such sale first to the costs and expenses of such sale, including reasonable attorneys' fees actually incurred; second, to the payment of the costs of any other sums of money which may then or thereafter be due to Landlord from Tenant under any of the terms hereof; and fourth, the balance, if any, to Tenant.

19. Subordination.

- (a) <u>Subordination of Lease.</u> This agreement at Landlord's option shall be subordinate to any mortgage, deed of trust, or any other hypothecation for security now or hereafter placed upon all or any portion of the Premises and to any and all advances made on the security thereof and to all renewals, modifications, consolidations, replacements and extensions thereof. Notwithstanding such subordination, Tenant's right to quiet possession of the Premises shall not be disturbed if Tenant is not in default and so long as Tenant shall pay the rent, observe, and perform all of the provisions of this agreement unless this agreement is otherwise terminated pursuant to its terms. If any mortgagee or trustee shall elect to have this agreement prior to the lien of its mortgage or deed of trust, and shall give written notice thereof to Tenant, this agreement shall be deemed prior to such mortgage or deed of trust, whether this agreement is dated prior or subsequent to the date of said mortgage or deed of trust or the date of recording thereof.
- (b) Execution of Documents. Tenant agrees to execute any documents required to effectuate such subordination or to make this agreement prior to the lien of any mortgage or deed of trust, as the case may be, and failing to do so within ten (10) days after written demand, does hereby make, constitute and irrevocably appoint Landlord as Tenant's attorney in fact and in Tenant's name, place and stead, to do so.

20. Landlord's Right to Reenter.

(a) <u>Peaceable Surrender.</u> Tenant agrees to yield and peaceably deliver possession of the Premises to Landlord on the date of termination of this agreement regardless of the reason for such termination. Upon giving written notice of termination to Tenant, Landlord shall have the right to reenter and take possession of the Premises on the date such termination becomes effective without further notice of any kind and without institution of summary or regular legal proceedings. Termination of the agreement and reentry of any Premises by Landlord shall in or way alter or diminish any obligation of Tenant under the Lease terms and shall not constitute an acceptance or surrender.

- (b) <u>Waiver of Redemption and Stipulated Damages.</u> Tenant waives any and all right of redemption under any existing or future law or statute in the event of eviction from or dispossession of the Premises for any reason or in the event, Landlord reenters and takes possession of the Premises in a lawful manner.
- 21. <u>Notices.</u> All notices, statements, demands, requests, approvals or consents given hereunder by either party to the other party shall be in writing and shall be sufficiently given and served upon the other party if served personally or if sent by first class mail of the United States Postal Service, certified, return receipt requested, postage prepaid, and addressed to the parties as indicated in Section 1, or to such other address as any party may have furnished to the others as a place for the service of notice. Notices sent by mail shall be deemed served on the date actually received, as indicated on the return receipt.
- 23. <u>No Commission.</u> Landlord and Tenant each agree that Landlord and Tenant, respectively, have not had any dealings with any realtor, broker, or agent in connection with the execution of this agreement. Tenant shall pay the commission or compensation payable to any agent or broker employed by Tenant in connection with the execution of this agreement.
- 24. <u>Waiver.</u> The waiver by Landlord or Tenant of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition or any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant, or condition of this agreement, other than the failure of Tenant to pay the particular rent so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such rent. Landlord's acceptance of partial payments of rent or any other sum due hereunder shall not be deemed a waiver of its right to recover the full amount of such payment and shall not be deemed an accord and satisfaction whether or not the amount due is disputed by the parties.
- 25. <u>Holding Over.</u> Any holding over after the expiration of the term with the consent of Landlord shall be construed to be a tenancy from month to month on the same terms and conditions specified herein so far as applicable.
- 26. Parking. Tenant acknowledges that all parking areas and all other common areas within the Santa Cruz Small Craft Harbor shall remain under the operation and control of Landlord. The manner in which such areas and facilities are operated and maintained shall be at the sole discretion of Landlord, and the use of such areas and facilities shall be subject to such rules and regulations as Landlord shall make from time to time. Landlord shall have the right to regulate access and parking and to install parking meters in such parking areas.
- 27. <u>Non-Discrimination.</u> Tenant agrees in the conduct of Tenant's business not to discriminate against any person or class of persons by reason of sex, race, creed, national origin, age, or physical condition. Tenant shall make its accommodations and services available to all persons on equal and reasonable terms.
- 28. <u>Entry by Landlord.</u> Landlord and its agents shall be entitled to enter into and upon the Premises at all reasonable times, upon reasonable notice (except in the case of an emergency, in which event no notice shall be required), for purposes of inspecting or making repairs, alterations or additions to all or any portion thereof, or any other part of the Building, including the erection and

maintenance of such scaffolding, canopies, fences and props as may be required, or for the purpose of posting notices of non-responsibility for alterations, additions, or repairs, and during the one hundred eighty (180) day period prior to the expiration of this agreement to place upon the Premises any usual or ordinary "for rent" signs and exhibit the Premises to prospective tenants at reasonable hours, all without any abatement of rent and without liability to Tenant for any injury or inconvenience to or interference with Tenant's business, quiet enjoyment of the Premises, or any other loss occasioned thereby.

29. General.

- (a) <u>Entire Agreement.</u> This agreement contains all of the terms, covenants, and conditions agreed to by Landlord and Tenant and it may not be modified orally or in any manner other than by an agreement in writing signed by all of the parties to this agreement or their respective successors in interest.
- (b) <u>Covenants and Conditions.</u> Each term and each provision of this agreement performable by Tenant shall be construed to be both a covenant and a condition, all of which conditions shall be for the sole benefit of Landlord.
- (c) <u>Binding on Successors.</u> The covenants and conditions hereof, subject to the provisions as to subletting and assignment, shall apply to and bind the heirs, successors, executors, administrators, sublessees, and assigns to the parties.
- (d) <u>Joint and Several Liability.</u> All persons who have signed this agreement shall be jointly and severally liable hereunder.
- (e) <u>Gender.</u> When the context of this agreement requires, the masculine gender includes the feminine, a corporation, or a partnership, and the singular number includes the plural.
- (f) <u>Captions.</u> The captions of the numbered and lettered paragraphs of this agreement are for convenience only and are not a part of this agreement and do not in any way limit or amplify the terms and provisions of this agreement.
- (g) <u>Governing Law.</u> This agreement shall be governed by and construed in accordance with the laws of the State of California.
- (h) <u>Time of Essence.</u> Time is of the essence as to all of the provisions of this agreement.
- (i) <u>Partial Invalidity.</u> If any term, covenant, condition, or provision of this agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the

Page -15-

provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby.

- (j) <u>Relationship.</u> Tenant shall not be an agent of Landlord for any purpose, and nothing in this agreement shall be deemed to create a partnership relationship between Tenant and Landlord.
- (k) <u>No Recordation.</u> Tenant shall not record either this Agreement or a short form memorandum of this agreement.
- (I) <u>Calendar Days.</u> All references herein to "days" shall mean calendar days unless otherwise stated.

IN WITNESS WHEREOF, the parties hereto have executed this agreement as of the date first above written.

WHEREAS, the Santa Cruz Port Commission has reconsidered the circumstances of the current state of emergency and find that the COVID-19 pandemic continues to directly impact the ability of the Commission to meet safely in person and further finds that the Santa Cruz County Public Health Officer continues to recommend measures to promote social distancing; and,

WHEREAS, in the interest of public health and safety, due to the emergency caused by the spread of COVID-19, the Santa Cruz Port Commission deems it necessary to continue utilizing the modified teleconferencing rules set forth in AB 361 and authorizes remote meetings as set forth in the Resolution.

Santa Cruz Port District Resolution 22-01 January 13, 2022

On the motion of Commissioner Smith

Duly seconded by	Commissioner Goddard
------------------	----------------------

A resolution authorizing the Santa Cruz Port Commission to conduct teleconference meetings in accordance with Assembly Bill 361 as a result of the continuing COVID-19 pandemic state of emergency.

WHEREAS, all meetings of the Santa Cruz Port Commission are open and public, as required by the Ralph M. Brown Act (California Government Code Section 54950 - 54963), to ensure that any member of the public may attend, participate, and watch the District's legislative body conduct business; and,

WHEREAS, on September 16, 2021, Governor Newsom signed into law Assembly Bill 361 (AB 361), which amended Government Code Section 54953 to permit legislative bodies subject to the Brown Act the ability to meet under modified teleconferencing rules if they comply with specific requirements set forth in the statute; and,

WHEREAS, under AB 361, a local agency may teleconference under the modified rules if the legislative body holds a meeting during a proclaimed state of emergency and state or local officials have imposed or recommended measures to promote social distancing; and

WHEREAS, on March 4, 2020, in response to the COVID-19 pandemic, Governor Newsom issued a Proclamation of State of Emergency pursuant to California Government Code section 8550 et seq., which remains in effect; and,

WHEREAS, on September 30, 2021, the Santa Cruz County Public Health Officer, Dr. Gail Newel, strongly recommended that legislative bodies in Santa Cruz County engage in physical / social distancing by meeting via teleconference as allowed by AB 361; and,

WHEREAS, after its initial AB 361 teleconference meeting, a legislative body can continue to hold such teleconference meetings if the legislative body has reconsidered the circumstances of the state of emergency and determined that the state of emergency continues to directly impact the ability of the members to meet safely in person and that local officials continue to recommend measures to promote social distancing; and,

WHEREAS, the Port Commission finds that there is a continuing threat of COVID-19 to the community and requiring all members of the legislative body to appear in-person at meetings presents greater risk to the health and safety of the meeting participants resulting from reduced social distancing, increased exposure for those who are immunocompromised or unvaccinated, and challenges associated with fully ascertaining and ensuring compliance with vaccination, face coverings, and other safety measures at such public meetings; and

WHEREAS, in the interest of public health and safety, due to the emergency caused by the spread of COVID-19, the Santa Cruz Port Commission deems it necessary to utilize the modified teleconferencing rules set forth in AB 361.

NOW, THEREFORE, the Santa Cruz Port Commission hereby RESOLVES, and ORDERS as follows:

Section 1. Recitals. The Recitals set forth above are true and correct and incorporated into this resolution by reference.

Section 2. <u>Acknowledgement of Governor's Proclamation of a State of Emergency.</u> The Board hereby acknowledges that the Governor of the State of California's Proclamation of State of Emergency, as related to the COVID-19 pandemic, remains in effect.

Section 3. Remote Teleconference Meetings. The Port Director is authorized and directed to carry out the intent and purpose of this Resolution, including conducting open and public meetings in accordance with the modified teleconferencing rules as set forth in Government Code Section 54953(e) and other applicable provisions of the Brown Act.

Section 4. <u>Effective Date of Resolution.</u> This Resolution shall take effect immediately upon its adoption and shall be effective until the earlier of (1) thirty days from adoption of this Resolution, or (2) such time the Board of Directors adopts a subsequent resolution in accordance with Government Code Section 54953(e)(3) to extend the time during which the Santa Cruz Port Commission may continue to teleconference without compliance with paragraph 3 of subdivision (b) of Section 54953.

- (b) Option to Extend Lease. Provided that Tenant is not in material default of any part of this Lease at the time of the exercise of the option, Tenant shall have two options to extend the term of this Lease. The option terms shall be three (3) years from February 1, 2027, through January 31, 2030, and February 1, 2030, through January 31, 2033. Tenant may exercise the options, by giving Landlord notice of its exercise of the option to extend the Lease Term no earlier than one year prior to expiration of the Term, and no later than six (6) months prior to the expiration of the Term.
- 4. <u>Title to Improvements.</u> Free and clear title to any and all improvements and fixtures purchased or constructed by Tenant and installed upon the Premises shall upon such termination vest in Landlord without additional cost or expense to Landlord, and Tenant shall execute such additional documents as Landlord may reasonably require effectuating such transfer of title. Notwithstanding the foregoing, Tenant shall have the right to remove furniture, equipment and trade fixtures that are not fixed to the Premises during the thirty (30) days following the termination of the Lease and will retain title to any items removed.

5. Rent.

(a) <u>Fixed Minimum Rent or "Base Rent".</u> Beginning on the Effective Date, Tenant shall pay to Landlord each month a fixed amount of rent ("Fixed Minimum Rent" or "Base Rent") for the Premises which shall initially be equal to Three Thousand Eight Hundred and Eighty Six Dollars (\$3,886.00) for the Building and paved area inclusive at 333 Lake Avenue, Unit B, and \$144 per month for the storage shed located behind the restrooms located near O Dock, as adjusted as hereinafter provided.

- (b) Adjustments to Base Rent. On April 1 ("Adjustment Date"), and each year thereafter on April 1 for the term of this Lease, the Base Rent in effect for the month immediately preceding the Adjustment Date shall be adjusted in accordance with the increase in the Consumer Price Index, All Urban Consumers, San Francisco-Oakland-Hayward Metropolitan Area, (All Items) for the preceding calendar year. - (e) <u>Payment of Fixed Minimum Rent</u>. The Fixed Minimum Rent shall be payable monthly in advance, without notice, offset, or abatement, by the first day of each calendar month of the Lease Term. All rent and other sums payable by Tenant hereunder shall be paid to Landlord in currency of the United States of America (or by personal check unless Landlord otherwise notified Tenant) at Landlord's address set forth in Paragraph 23 hereof, or at such other place as Landlord may from time to time designate in writing.
- (f) <u>Delinquent Payment</u>. Rent payments received on or after the 21st day of the month shall be deemed Delinquent Payments. A delinquency fee in the then current amount as set by the Landlord's Board of Port Commissioners shall be applied to any delinquent payment. In addition, interest in the then current amount as set by the Landlord's Board of Port Commissioners shall be applied on the last day of each month to the unpaid balance until paid in full.
- (g) Security Deposit. Tenant will, no later than twenty (20) days prior to the commencement date of this Lease, deposit with Landlord a sum equivalent to one month's Base Rent for the Premises as security for the faithful performance by Tenant of all of its obligations hereunder. If Tenant fails to pay rent or any other sums due hereunder, or otherwise defaults with respect to any provision of this Lease, Landlord may use, apply, or retain all or any portion of the Deposit for the payment of any rent or other sum in default, or to compensate Landlord for the payment of any other sum which Landlord may become obligated to spend by reason of Tenant's default, or to compensate Landlord for any expenditures, loss or damage which Landlord may suffer thereby. If Landlord so uses or applies all or any portion of the Deposit, Tenant shall within ten (10) days after written demand therefor, deposit with Landlord an amount in cash sufficient to restore the Deposit to the full amount hereinabove stated. Landlord shall not be required to keep the Deposit separate from its general funds. The Deposit, less any portion thereof which Landlord is entitled to retain, shall be returned, without payment of interest, to Tenant within thirty (30) days after the later of expiration of the term hereof or the date on which Tenant vacates the Premises.
- (h) <u>Personal Guarantee</u>. All amounts due under this Lease and any amendments to this Lease entered into by and between Landlord and Tenant shall be subject to the personal guarantee

attached here to as Exhibit B and incorporated herein by this reference. The parties shall release the guarantee if and when a guarantor is no longer a constituent of Tenant, provided the guarantee obligations have been assumed by a replacement guarantor and Landlord has approved such replacement guarantor. In the event of the death of a guarantor, Tenant shall provide a replacement guarantor within sixty (60) days of the death of the guarantor, which guarantor shall be subject to Landlord's approval.

(i) Rent Review. Prior to any Option being binding on Landlord, Landlord shall review the current Base Rent to determine Base Rent is equal to fair market rent. If Landlord in its sole discretion determines that an adjustment is necessary to bring the rent up to fair market rent, Landlord shall within thirty (30) days of Tenant's notice of intent to exercise the option provide Tenant with written notice of the new base rent. If Landlord does not provide notice, Base Rent for the first year of the Extended Term shall be the same as the prior year and the Option shall be binding. 10. <u>Insurance.</u>

- Landlord's Insurance. Landlord shall procure and maintain in full force and effect (a) at all times during the Term of this Lease, fire and extended coverage insurance satisfactory to Landlord covering the Premises and all improvements therein in an amount not less than eighty percent (80%) of the actual replacement cost thereof. Landlord shall be entitled to carry any such insurance in the form of a blanket policy covering Tenant's property in addition to the Premises. Landlord may, at Landlord's sole discretion, bill Tenant for the cost of the above-described insurance in an amount proportional to the square footage of the Premises as calculated from Landlord's inventory of insured spaces and the premiums charged by Landlord's insurer for all of the square footage of buildings covered by such insurance policy. The Tenant's share of such insurance premiums shall be Additional Rent and shall be payable within fifteen (15) days of receipt of an invoice for such Additional Rent. Landlord, in its sole discretion, may allow Tenant to pay such Additional Rent in 12 equal monthly installments or may require Tenant to pay such Additional Rent in one installment.
- (b) <u>Tenant's Insurance.</u> During the Term of the Lease, Tenant shall maintain, at its sole cost and expense, the following insurance policies:
- (i) "All Risk" Property Insurance covering risks of loss normally insured under a "special form" policy, covering Tenant's leasehold improvements, fixtures, equipment, furniture and other personal property in or about the Premises. Such insurance shall be maintained with limits no less than \$1,000,000 or in an amount sufficient to cover not less than one hundred percent (100%) of the full replacement value thereof (whichever is greater) with no coinsurance penalty provision. Landlord shall be a loss payee as its interests shall appear.
- (ii) Commercial General Liability Insurance protecting Landlord and Tenant against liability for bodily injury and property damage, including completed operations, contractual liability coverage and products liability, as well as "personal and advertising injury" liability occasioned by any occurrence in, on, about, or related to the Premises in an amount not less than Two Million Dollars (\$2,000,000) each occurrence and annual aggregate. Harbor Workers' Compensation Act, as applicable. Tenant shall also maintain Employer's Liability insurance with limits no less than One Million Dollars (\$1,000,000) per accident for bodily injury or disease, \$1,000,000 disease – policy limit, \$1,000,000 disease – each employee. Such insurance shall include a waiver of subrogation in favor of Landlord.

- (iv) Automobile Liability on an "Any Auto" Basis: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 combined single limit each occurrence/per accident for bodily injury and property damage.
- (v) If Tenant commits permits or causes the conduct of any activity or the bringing or operation of any equipment on or about the Premises creating unusual hazards, Tenant shall promptly, upon notice from Landlord, procure and maintain in force during such activity or operation insurance sufficient to cover the risks represented thereby. Landlord's demand for unusual hazard insurance shall not constitute a waiver of Landlord's right to demand the removal, cessation or abatement of such activity or operation.
- (vi) Tenant shall procure, at Tenant's own cost and expense other insurance in amounts from time to time reasonably required by Landlord against other insurable risks if at the time they are commonly insured against for premises similarly situated.
- (vii) All policies shall be placed with insurers admitted or eligible to do business in the State of California and rated A VIII or better by A.M. Best. All policies shall include a provision that prior written notice of policy cancellation, or for non-payment of premium will be provided. Tenant shall furnish Landlord with Certificates of Insurance showing evidence of the required insurance upon execution of this Lease and thereafter upon renewal or replacement of policies.
- (c) <u>Waiver of Subrogation.</u> Tenant and Landlord each hereby waives any and all rights of recovery against the other, and against the officers, employees, agents and representatives of the other, for loss of or damage to such waiving party or its property or the property of others under its control, where such loss or damage is insured against under any property insurance policy in force at the time of such loss or damage to the extent of the insurance proceeds actually paid in connection therewith. Tenant and Landlord shall, upon obtaining any of the policies of insurance required or desired hereunder, give notice to the insurance carrier or carriers that the foregoing mutual waiver of rights of recovery is contained in this Lease, and shall each use their best efforts to cause the insurer for each such policy to waive in writing any rights of subrogation it may have against the other party.
- (d) <u>Submittal of Policies.</u> Tenant agrees to deposit with Landlord, at Landlord's request, a copy of each such policy or policies required hereunder and to keep such insurance in effect and the policy or policies therefore on deposit with Landlord during the entire Term of this Lease.
- (e) Review of Coverage. Landlord shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If, in the opinion of Landlord, the insurance provisions in this Lease do not provide adequate protection for Landlord and for members of the public using the Premises, Landlord may require Tenant, its contractor, or subcontractor to obtain (or may obtain at Tenant's expense) insurance sufficient in coverage, form and amount to provide adequate protection. Landlord's requirements shall be reasonable, but shall be designed to assure

protection from and against the kind and extent of the risks which exist at the time a change in insurance is required.

- (f) <u>Changes in Coverage.</u> Landlord reserves the right to modify these requirements with notice to Tenant, including, but not limited to, limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
- (g) <u>Primary Policy</u>. The insurance provided by the Tenant, its contractors, and/or subcontractors shall apply as primary insurance without qualification and that any other insurance maintained by Landlord shall be in excess only and shall not be called upon to contribute with the insurance of Tenant, its contractors, or subcontractors.
- (h) <u>Policy Limits.</u> The limits of insurance described herein are not intended as a limitation of liability under this Lease. Tenant, its contractors and subcontractors may obtain higher limits in its discretion. If Tenant, its contractors, and/or subcontractors maintain higher limits than the minimums shown above, Landlord requires and shall be entitled to coverage for the higher limits maintained. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.
- (i) <u>No Limit on Indemnity.</u> The procuring of such required policy or policies of insurance shall not be construed to limit Tenant's liability hereunder or to fulfill the indemnification provisions and requirements of this Lease. Notwithstanding said policy or policies of insurance, Tenant shall be obligated the full and total amount of any damage, injury, or loss caused by negligence or neglect connected with this Lease or with use or occupancy of the Premises.
- (j) <u>Landlord's Remedies</u>. In case of failure on the part of Tenant to procure or to maintain in effect any insurance which Tenant is required to carry as provided in this Paragraph 10, Landlord may, but is not required to, at its discretion, and in addition to any other remedies it may have upon failure of Tenant to procure or to maintain in effect any insurance which Tenant is required to carry as provided in this Paragraph 10, procure or renew such insurance and pay any and all premiums therefore and all monies so paid by Landlord shall be repaid by Tenant to Landlord upon demand.

11. Indemnification.

expressly stated otherwise herein, Tenant hereby indemnifies Landlord, its employees, elected officials, officers, attorney, agents and volunteers (collectively, the "Landlord Indemnified Parties") against and holds them harmless from any and all claims, damage, cost, liability, or expense, including but not limited to attorneys' fees and costs of suit, resulting from or arising out of Tenant's use of the Premises, Tenant's default in the performance of any obligation of Tenant under this Lease, any act or failure to act of Tenant or any employees, agents, contractors, customers, or other invitees of Tenant occurring in or about the Premises, or construction of any improvements by Tenant in the Premises. Landlord shall not be liable to Tenant for any damage caused by any person, in, upon, or about the Premises, whether a customer of Tenant or otherwise. Tenant expressly waives any claims against Landlord for damage to Tenant's business on the Premises or loss of goodwill or any other damage to Tenant arising from complete or partial closure of the Santa Cruz Harbor at any time and from time to time, whether such closure shall result from inclement weather, excess deposits of sand in the harbor, natural disaster, pandemic, emergency, construction or repair work, or any other reason whatsoever. Landlord shall have no obligation or responsibility to prevent any such closures of the Santa Cruz Harbor; provided that, in the event any such closure shall be due to insufficient funding of Landlord, Landlord shall make a good faith effort to keep the Santa Cruz Harbor open during the portion of the year the public makes greatest use of harbor facilities.
- (c) <u>Landlord's Hold Harmless.</u> Landlord hereby indemnifies and holds Tenant harmless from and against any and all damage to property or injury or death to any person and occurring in, on or about the "Public Areas" as shown and described on <u>Exhibit "A"</u> hereto, but only in proportion to and to the extent caused by Landlord's sole negligence or willful misconduct.

Landlord shall have no obligation to maintain or repair under this Paragraph 12(c) until a reasonable amount of time after receipt by Landlord of notice from Tenant of the need therefore, specifying the nature of the maintenance or repair needed. The parties agree that no more than thirty (30) days to begin maintenance or repair is a reasonable amount of time under this provision.

- (2) <u>Sublease Rents or License Payments.</u> If Tenant shall enter into an assignment, sublease or license ("Transfer") hereunder:
 - (i) Tenant shall pay to Landlord fifty percent (50%) of the monthly rent or consideration payable by a subtenant or assignee to Tenant for the Transfer, which is in excess on a per square foot basis, of Tenant's Base Rent payable to Landlord (hereinafter, the "Excess Transfer Amount"). This Excess Transfer Amount shall be due and payable monthly to Landlord commencing with the Transfer date and in accordance with Paragraph 5 (e) of this Lease and shall be subject to delinquent fees in accordance with Paragraph 5 (f).
- (c) <u>Encumbrances.</u> Neither Tenant nor any Transfer shall allow any encumbrance of all or any portion of the Premises.
- (d) <u>Corporation or Partnership.</u> The assignment, pledge for security purposes, or other transfer during the Lease Term of any class of voting stock or other controlling interest in said corporation (whether in a single transaction or a series of transfers) which in the aggregate exceeds fifty percent (50%) of such class of stock or other controlling interest shall be deemed to be an assignment within the meaning of this Lease. If Tenant becomes a partnership, and Landlord consents thereto, the assignment, pledge, for security purposes, or other transfer during the Lease term of any interest in the partnership of a general or limited partner thereof, shall be deemed an assignment within the meaning of this Lease.

15. Damage or Destruction.

- (a) Partial Damage-Insured. Subject to the provisions of Paragraphs 15(b) and 15(c), if the Premises or any improvements therein are damaged, such damage involves damage to the Building to the extent of less than eighty percent (80%) of the then replacement value thereof (excluding excavations and foundations of the Building), such damage was caused by an act or casualty covered under an insurance policy provided for in Paragraph 10, and the proceeds of such insurance received by Landlord are sufficient to repair the damage (or in the event any lender shall require such insurance proceeds to be applied to pay any sums owed under its loan), Landlord shall at Landlord's expense repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect.
- (b) Partial Damage-Under or Uninsured. Subject to the provisions of Paragraphs 15(a) and 15(d), if at any time during the term hereof the Premises or any improvements are damaged, such damage involves damage to the Building to the extent of less than eighty percent (80%) of the then replacement value thereof (excluding excavations and foundations of the Building), and the insurance proceeds received by Landlord are not sufficient to repair such damage, or such damage was caused by an act or casualty not covered under an insurance policy, Landlord may at Landlord's option either (a) repair such damage as soon as reasonably possible at Landlord's expense, in which event this Lease shall continue in full force and effect, or (b) give written notice to Tenant within thirty (30) days after the date of the occurrence of such damage of Landlord's intention to cancel and

terminate this Lease as of the date of the occurrence of such damage. In the event Landlord elects to give such notice of Landlord's intention to cancel and terminate this Lease, Tenant shall have the right, within ten (10) days after receipt of such notice, to agree in writing on a basis satisfactory to Landlord to pay for the entire cost of repairing such damage less only the amount of insurance proceeds, if any, received by Landlord, in which event this Lease shall continue in full force and effect, and Landlord shall proceed to make such repairs as soon as reasonably possible. If Tenant does not give such notice within such ten (10) day period this Lease shall be cancelled and terminated as of the date of the occurrence of such damage.

- (c) <u>Total Destruction.</u> If at any time during the term hereof either the Premises or the improvements contained therein are damaged from any cause, whether or not covered by the insurance provided for in Paragraph 10, and such damage involves damage to the Building to the extent of eighty percent (80%) or more of the replacement value thereof (excluding excavations and foundations of the Building), including any total destruction required by any authorized public authority, this Lease shall at the option of Landlord terminate as of the date of such total destruction. Landlord shall exercise its right to terminate this Lease by delivery of notice to Tenant within thirty (30) days after the date that Tenant notifies Landlord of the occurrence of such damage. In the event Landlord does not elect to terminate this Lease, Landlord shall at Landlord's expense repair such damage as soon as reasonably possible, and this Lease shall continue in full force and effect.
- (d) <u>Damage Near End of Term.</u> If the Premises or the improvements therein are destroyed or damaged in whole or part during the last year of the term of this Lease, Landlord may at Landlord's option cancel and terminate this Lease as of the date of occurrence of such damage by giving written notice to Tenant of Landlord's election to do so within thirty (30) days after the date of occurrence of such damage.
- (e) Abatement of Rent. Notwithstanding anything to the contrary contained elsewhere in this Lease, if the Premises are partially damaged and Landlord repairs or restores them pursuant to the provisions of this agreement Paragraph 15, the Base Rent payable hereunder for the period commencing on the occurrence of such damage and ending upon completion of such repair or restoration shall be abated in proportion to the degree to which Tenant's use of the Premises is impaired during the period of repair; provided that, nothing herein shall be construed to preclude Landlord from being entitled to collect the full amount of any rental loss insurance proceeds if such rental loss insurance is then carried with respect to the Premises. Except for abatement of rent, if any, Tenant shall have no claim against Landlord for any damage suffered by reason of any such damage, destruction, repair or restoration.
- (f) <u>Waiver.</u> Tenant waives the provisions of California Civil Code Sections 1932(2) and 1933(4), and any similar or successor statutes relating to termination of leases when the thing leased is substantially or entirely destroyed, and agrees that such event shall be governed by the terms of this Lease.
- (g) <u>Tenant's Property.</u> Landlord's obligation to rebuild or restore shall not include restoration of Tenant's equipment, merchandise, or any improvements, alterations or additions made by Tenant to the Premises.
- (h) <u>Notice of Damage.</u> Tenant shall notify Landlord within five days after the occurrence thereof of any damage to all or any portion of the Premises. In no event shall Landlord

have any obligation to repair or restore the Premises pursuant to this Paragraph 15 until a reasonable period of time after Landlord's receipt of notice from Tenant of the nature and scope of any damage to the Premises, and a reasonable period of time to collect insurance proceeds arising from such damage (unless such damage is clearly not covered by insurance then in effect covering the Premises).

(i) <u>Replacement Cost.</u> The determination in good faith by Landlord of the estimated cost of repair of any damage, or of the replacement cost, shall be conclusive for purposes of this Paragraph 15.

16. <u>Eminent Domain.</u>

- (a) <u>Termination.</u> In the event the whole or any part of the Premises is condemned in the lawful exercise of the power of eminent domain by any public entity, then this Lease shall terminate as to the part condemned on the date possession of that part is taken.
- (b) <u>Partial Taking Renders Economically Unfeasible.</u> If only a part of the Premises is condemned, but such taking makes it economically unfeasible for Tenant to use the remainder of the Premises for the purposes contemplated by this Lease, then Tenant may, at its option, terminate this Lease as of the date possession of the condemned part is taken by giving written notice to Landlord of its intention within thirty (30) days following the date said possession is taken.
- (c) <u>Partial Taking with Business Continued.</u> If only part of the Premises is condemned and this Lease is not terminated as set forth above, then this Lease shall, as to the condemned portion of the Premises, terminate as of the date possession of such portion is taken. The Base Rent shall thereupon be reduced in the same proportion that the area of the Premises taken bears to the initial total area of the Premises. The Base Rent, as so reduced, shall continue to be subject to adjustment in accordance with Paragraph 5 hereof.
- (d) <u>Repairs.</u> Tenant shall, at its sole cost and expense and in a prompt and expeditious manner, make all necessary repairs or alterations to the remainder of the Premises so as to make them reasonably suitable for Tenant's continued occupancy for those uses and purposes contemplated by this Lease.
- (e) <u>Compensation.</u> All compensation awarded or paid upon the total or partial taking of the fee title to the Premises or part of the Premises, or for the taking of all or any portion of the Premises, shall belong to Landlord. The Building and other improvements made by Landlord on the Premises at Landlord's expense shall belong to Landlord. Landlord shall not be entitled to any compensation paid to Tenant for costs incurred by Tenant in removing its furniture, equipment, and trade fixtures from the condemned Premises. Nor shall Landlord be entitled to any compensation paid to Tenant in the proceedings or action for such taking with respect to removal or relocation costs, or anticipated or lost profits (excluding the value of this Lease to Tenant) or damages to any personal property or detriment to the business of Tenant, or any special damages to Tenant (excluding the value of this Lease to Tenant).
- 17. <u>Tenant Default.</u> Tenant shall be deemed in default under this Lease upon occurrence of any of the following:

- (a) Tenant fails to pay a monetary sum when due under this Lease (provided that Tenant shall not be deemed in default if Tenant pays such sum within 10 days after notice from Landlord that such sum is overdue; and provided further that, Tenant shall not be entitled to any such 10 day grace period or notice and shall be deemed in default immediately upon failure to so pay when due if Landlord has already delivered two notices of overdue payments within the immediately preceding 12 month period;
- (b) Tenant fails to perform any of its other obligations under this Lease; provided that, if such failure is of the nature that it may be cured, Tenant shall not be deemed in default if Tenant cures such failure within 20 business days, or in the event the cure can not be reasonably completed within 20 business days begins substantial efforts to cure within 20 business days, after written notice from Landlord of such failure;
- (c) Tenant's interest in the Premises or the Lease, or any part thereof, is assigned or transferred, either voluntarily or by operation of law (except as expressly permitted by other provisions of this Lease), including, without limitation, the filing of an action by or against Tenant, or by any member of Tenant if Tenant is a partnership or joint venture, under any insolvency or bankruptcy laws, or if Tenant makes a general assignment for the benefit of its creditors, or;
 - (d) Tenant vacates, abandons, or surrenders the Premises during the lease term.
- (e) Tenant fails to comply with or obtain any necessary permit or license. Tenant shall not be deemed in default if Tenant cures such failure within 20 days after notice from Landlord of such failure
- (f) In the event of a default by Tenant under this Lease, Landlord may pursue such remedies as it may have for such default under law or in equity, including but not limited to the remedies set forth below.
- 18. <u>Remedies.</u> In the event of any breach or default by Tenant, Landlord may, at Landlord's option, exercise any and all rights available to a landlord under the laws of the State of California (including, but not limited to, those rights and remedies set forth in California Civil Code Sections 1951.2, 1951.4, and 1951.8), including, without limitation, the right to do any of the following:
- (a) <u>Repossession</u>. Landlord may repossess the Premises and remove all persons and property therefrom. If Landlord repossesses the Premises because of a material breach of this Lease, this Lease shall terminate and Landlord may recover from Tenant:
- (i) the worth at the time of award of the unpaid rent which had been earned at the time of termination including interest at ten percent (10%) per annum or the maximum allowed by law whichever is less;
- (ii) the worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided including interest at ten percent (10%) per annum or the maximum allowed by law whichever is less;

- (iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for the same period that Tenant proves could be reasonably avoided, computed by discounting such amount by the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%); and
- (iv) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom.
- (b) <u>No Repossession.</u> If Landlord does not repossess the Premises, then this Lease shall continue in effect for so long as Landlord does not terminate Tenant's right to possession and Landlord may enforce all of its rights and remedies under this Lease, including the right to recover the rent and other sums due from Tenant hereunder. For the purposes of this Paragraph 18, the following do not constitute a termination of Tenant's right to possession:
- (1) Acts of maintenance or preservation by Landlord or efforts by Landlord to relet the Premises; or
- (2) The appointment of a receiver by Landlord to protect Landlord's interest under this Lease.
- 19. Attorneys' Fees. If any action at law or in equity shall be brought to recover any rent under this Lease, or for or on account of any breach of or to enforce or interpret any of the terms, covenants, agreements, or conditions of this Lease, or for the recovery of the possession of the Premises, the prevailing party shall be entitled to recover from the other party, as a part of the prevailing party's costs, reasonable attorneys' fees, the amount of which shall be fixed by the court and shall be made a part of any judgment rendered. "Prevailing party" within the meaning of this paragraph shall include, without limitation, a party who brings an action against the other party after the other party's breach or default, if such action is settled or dismissed upon the payment by the other party of the sums allegedly due or performance of the covenants allegedly breached or the plaintiff obtains substantially the relief sought by it in the action.
- 20. Removal of Property. Tenant hereby irrevocably appoints Landlord as agent and attorney in fact of Tenant, to enter upon the Premises, in the event of a default by Tenant hereunder, and to remove any and all furniture and personal property whatsoever situated upon the Premises, and to place such property in storage for the account of and at the expense of Tenant. In the event that Tenant shall not pay the cost of storing any such property after the property has been stored for a period of 90 days or more, Landlord may sell any or all of such property, at public or private sale, in such manner and at such times and places as Landlord in its sole discretion may deem proper, without notice to Tenant or any demand upon Tenant for the payment of any part of such charge or the removal of any such property, and shall apply the proceeds of such sale first to the costs and expenses of such sale, including reasonable attorneys' fees actually incurred; second, to the payment of the costs of or charges for storing any such property; third, to the payment of any other sums of money which may then or thereafter be due to Landlord from Tenant under any of the terms hereof; and fourth, the balance, if any, to Tenant.

21. Subordination.

- (a) <u>Subordination of Lease.</u> This Lease, at Landlord's option, shall be subordinate to any mortgage, deed of trust, or any other hypothecation for security now or hereafter placed upon all or any portion of the Premises and to any and all advances made on the security thereof and to all renewals, modifications, consolidations, replacements and extensions thereof. Notwithstanding such subordination, Tenant's right to quiet possession of the Premises shall not be disturbed if Tenant is not in default and so long as Tenant shall pay the rent and observe and perform all of the provisions of this Lease, unless this Lease is otherwise terminated pursuant to its terms. If any mortgagee or trustee shall elect to have this Lease prior to the lien of its mortgage or deed of trust, and shall give written notice thereof to Tenant, this Lease shall be deemed prior to such mortgage or deed of trust, whether this Lease is dated prior or subsequent to the date of said mortgage or deed of trust or the date of recording thereof.
- (b) <u>Execution of Documents.</u> Tenant agrees to execute any documents required to effectuate such subordination or to make this Lease prior to the lien of any mortgage or deed of trust, as the case may be, and failing to do so within ten (10) days after written demand, does hereby make, constitute and irrevocably appoint Landlord as Tenant's attorney in fact and in Tenant's name, place and stead, to do so.

22. Landlord's Right to Reenter.

- (a) <u>Peaceable Surrender.</u> Tenant agrees to yield and peaceably deliver possession of the Premises to Landlord on the date of termination of this Lease, regardless of the reason for such termination. Upon giving written notice of termination to Tenant, Landlord shall have the right to reenter and take possession of the Premises on the date such termination becomes effective without further notice of any kind and without institution of summary or regular legal proceedings. Termination of the Lease and reentry of any Premises by Landlord shall in no way alter or diminish any obligation of Tenant under the Lease terms and shall not constitute an acceptance or surrender.
- (b) <u>Waiver of Redemption and Stipulated Damages.</u> Tenant waives any and all right of redemption under any existing or future law or statute in the event of eviction from or dispossession of the Premises for any reason or in the event Landlord reenters and takes possession of the Premises in a lawful manner.
- 23. Reservations to Landlord. The Premises are accepted by Tenant subject to any and all existing easements and encumbrances. Landlord reserves the right to install, lay, construct, maintain, repair, and operate such sanitary sewers, drains, stormwater sewer, pipelines, manholes, and connections; water and gas conduits; telephone and telegraph power lines; and the appliances and appurtenances necessary or convenient in connection therewith, in, over, upon, through, across, and along any part of the Premises, and to enter the Premises for any and all such purposes. Landlord also reserves the right to grant franchises, easements, rights of way, and permits in, over, upon, through, across, and along any and all portions of the Premises. No right reserved by Landlord in this clause shall be so exercised as to interfere unreasonably with Tenant's operations hereunder.

Landlord agrees that rights granted to third parties by reason of this clause shall contain provisions that the surface of the land shall be restored as early as practicable to its original condition upon the completion of any construction. Landlord further agrees that should the exercise of these

rights temporarily interfere with the use of any or all of the Premises by Tenant, the monthly Base Rent may be reduced on a temporary basis in proportion to the temporary interference with Tenant's use of the Premises, based on the Landlord's sole and absolute discretion.

- 24. <u>Building/Premises Closure</u>. Tenant acknowledges and understands that for public health, welfare and safety reasons, the Building and/or Premises may be subject to closure (either full or partial) due to conditions and/or events, including, but not limited to, ocean (including, but not limited to, high surf), waterfront and/or weather related conditions, as well as Force Majeure events (as defined in Paragraph 25 Force Majeure) (collectively "Closure Conditions"). Tenant enters into this Lease with full knowledge of the existing conditions of the Premises and its exposure to Closure Conditions, and with the understanding that at any point during the Term, Landlord may close the Building and/or Premises to public and tenant access and use (including, but not limited to Tenant's access and/or use) due to Closure Conditions, without any liability to Tenant by virtue of such closure and/or related actions. During any such period of closure where Tenant is completely unable to access and use the Premises, Tenant shall not be in default to Landlord for failure to continuously operate pursuant to Paragraph 6.c. Use.
- 25. <u>Force Majeure</u>. Any prevention, delay or stoppage due to strikes, lockouts, labor disputes, abnormal adverse weather conditions, acts of God, inability to obtain labor or materials or reasonable substitutes therefore, governmental restrictions, regulations or controls, enemy or hostile government action, civil commotion, fire or other casualty, and other causes beyond the reasonable control of and not caused by the fault or negligence of the party obligated to perform, shall excuse the performance by such party for a period equal to that resulting from such prevention, delay or stoppage. However, nothing contained in this Paragraph shall excuse the prompt payment of rent by Tenant as required by this Lease. Tenant's obligations to make payment for rental and other charges pursuant to the terms of this Lease shall be excused or reduced only as elsewhere expressly and specifically provided in this Lease.
- 26. <u>Notices.</u> All notices, statements, demands, requests, approvals or consents given hereunder by either party to the other party shall be in writing and shall be sufficiently given and served upon the other party if served personally or if sent by first class mail of the United States Postal Service, certified, return receipt requested, postage prepaid, and addressed to the parties as follows:

Landlord: SANTA CRUZ PORT DISTRICT

Attention: Port Director 135 5TH Avenue

Santa Cruz, CA 95062

Tenant: BAYSIDE MARINE

Attention: Todd Fraser 333 B Lake Avenue Santa Cruz, CA 95062

or to such other address as any party may have furnished to the others as a place for the service of notice. Notices sent by mail shall be deemed served on the date actually received, as indicated on the return receipt.

- 27. <u>No Commission.</u> Landlord and Tenant each agree that Landlord and Tenant, respectively, have not had any dealings with any realtor, broker, or agent in connection with the execution of this Lease. Tenant shall pay the commission or compensation payable to any agent or broker employed by Tenant in connection with the execution of this Lease.
- 28. <u>Waiver.</u> The waiver by Landlord or Tenant of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition or any subsequent breach of the same or any other term, covenant, or condition herein contained. The subsequent acceptance of rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant, or condition of this Lease, other than the failure of Tenant to pay the particular rent so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such rent. Landlord's acceptance of partial payments of rent or any other sum due hereunder shall not be deemed a waiver of its right to recover the full amount of such payment and shall not be deemed an accord and satisfaction whether or not the amount due is disputed by the parties.
- 29. <u>Holding Over.</u> Any holding over after the expiration of the Term with the consent of Landlord shall be construed to be a tenancy from month to month on the same terms and conditions specified herein so far as applicable other than Base Rent which shall be increased to 150% of the current Base Rent.
- 30. Parking. Tenant acknowledges that all parking areas and all other common areas within the Santa Cruz Small Craft Harbor shall remain under the operation and control of Landlord. Tenant possesses no legal interests with regard to the parking areas. The manner in which such areas and facilities are operated and maintained shall be at the sole discretion of Landlord, and the use of such areas and facilities shall be subject to such rules and regulations as Landlord shall make from time to time. Landlord shall have the right to regulate access and parking and to install parking meters and/or parking pay stations in such parking areas. Tenant shall be responsible for compliance with all parking rules and regulations as may be adopted and implemented by Landlord from time to time, including, without limitation, systems of validation, shuttle transportation or any other programs which may be deemed necessary or appropriate by Landlord to control, regulate or assist parking.
- 31. <u>Non-Discrimination</u>. Tenant agrees in the conduct of Tenant's business not to discriminate against any person or class of persons by reason of sex, race, creed, national origin, age, or physical condition. Tenant shall make its accommodations and services available to all persons on equal and reasonable terms.
- 32. Entry by Landlord. Landlord and its agents shall be entitled to enter into and upon the Premises at all reasonable times, upon reasonable notice (except in the case of an emergency, in which event no notice shall be required), during regular business hours for purposes of inspecting or making repairs, alterations or additions to all or any portion thereof, or any other part of the Building, including the erection and maintenance of such scaffolding, canopies, fences and props as may be required, or for the purpose of posting notices of non-responsibility for alterations, additions, or repairs, and during the 180 day period prior to the expiration of this Lease, to place upon the Premises any usual or ordinary "for rent" signs and exhibit the Premises to prospective tenants at reasonable hours, all without any abatement of rent and without liability to Tenant for any injury or inconvenience to or interference with Tenant's business, quiet enjoyment of the Premises, or any other loss occasioned thereby.

33. <u>Estoppel Certificates; Financial Statements.</u>

- Estoppel Certificates. Within fifteen (15) days after request therefor by Landlord, Holder, or any prospective mortgagee or owner, Tenant agrees as directed in such reasonable request to execute an Estoppel Certificate in recordable form, binding upon Tenant, certifying (i) that this Lease is unmodified and in full force and effect (or if there have been modifications, a description of such modifications and that this Lease as modified is in full force and effect); (ii) the dates on which rent Fixed Minimum Rent, Sublease Rent and Percentage Rent have been paid; (iii) that Tenant is in the possession of the Premises if that is the case; (iv) that Landlord is not in default under this Lease, or, if Tenant believes Landlord is in default, the nature thereof in detail; (v) that Tenant has no offsets or defenses to the performance of its obligations under this Lease (or if Tenant believes there are any offsets or defenses, a full and complete explanation thereof); (vi) that Tenant has accepted the Premises and the condition thereof and of all improvements thereto and has no claims against Landlord or any other party with respect thereto; (vii) that if an assignment of rents or leases has been served upon the Tenant by a Holder, Tenant will acknowledge receipt thereof and agree to be bound by the provisions thereof, (viii) that Tenant will give to the Holder copies of all notices required or permitted to be given by Tenant to Landlord; and (ix) to any other information reasonably requested. Tenant's failure to deliver such certificate within such time will be conclusive upon Tenant (A) that this Lease is in full force and effect, without modification except as may be represented by Landlord, (B) that there are no uncured defaults in Landlord's performance, and (B) that not more than one month's rent has been paid in advance. Without limiting the foregoing, if Tenant fails to deliver any such certificate within such fifteen (15) day period, Landlord may deliver to Tenant an additional request for such certificate and the failure of Tenant to deliver such certificate within five days after delivery of such additional request shall be an Event of Default.
- 34. CASp Inspection. Landlord states that the Premises have not been inspected by a Certified Access Specialist (CASp). This notice is provided by Landlord:

"A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of the construction-related accessibility standards within the premises."

Notwithstanding anything to the contrary in this Lease, (a) Tenant may elect at any time to perform a CASp inspection of the Premises at Tenant's expense; (b) any repairs or modifications necessary to correct violations of applicable construction-related accessibility standards within or about Premises are the responsibility of Tenant; (c) any construction-related accessibility improvements by Tenant or alterations of or improvements to the Premises are the responsibility of the Tenant; (d) any repairs or modifications to correct violations of applicable construction-related accessibility standards in areas which Landlord is responsible for, are the responsibility of Landlord.

Exhibit B GUARANTY

GUARANTY OF LEASE

This Guaranty of Lease ("Guaranty") dated for reference purposes only ______, is executed by Todd Fraser ("Guarantor") in favor of Santa Cruz Port District, a California special district ("Landlord").

RECITALS

WHEREAS, Landlord and Bayside Marine ("Tenant") have entered into a Lease dated for reference purposes only ______, ("Lease") whereby Landlord agreed to lease to Tenant and Tenant agreed to lease from Landlord the premises located at 333 B Lake Avenue, Santa Cruz, California ("Premises"); and

WHEREAS, as a condition of said Lease, Landlord has required that Guarantor execute and deliver to Landlord this Guaranty.

NOW, THEREFORE, in consideration of Landlord entering into the Lease of the Premises to Tenant, Guarantor covenants and agrees as follows:

Guarantor absolutely and unconditionally guarantees to Landlord the timely payment of all amounts that Tenant may at any time owe under the Lease. Guarantor further guarantees to Landlord the full, faithful, and timely performance by Tenant of the Lease. If Tenant shall default at any time in the payment of any rent or any other sums, costs, or charges, or in the performance of any covenant or obligation under the Lease, then Guarantor, at Guarantor's expense, shall on demand by Landlord, fully and promptly pay all rent, sums, costs, and charges to be paid and perform all other covenants and obligations to be performed by Tenant pursuant to the Lease. In addition, Guarantor shall on demand by Landlord pay to Landlord all sums due to Landlord, including, without limitation, all interest on past due obligations of Tenant, costs advanced by Landlord, damages, and all expenses (including, without limitation, court costs and reasonable attorneys' fees) that may arise in consequence of Tenant's default.

All sums due and payable pursuant to this Guaranty shall be payable upon demand.

The obligations of Guarantor under this Guaranty are independent of the obligations of Tenant. A separate action may, at Landlord's option, be brought and prosecuted against Guarantor, whether or not any action is first or subsequently brought against Tenant, or whether or not Tenant is joined in any action, and Guarantor may be joined in any action or proceeding commenced by Landlord against Tenant arising out of, in connection with, or based upon the Lease. Guarantor waives any right to: (a) Require Landlord to proceed against Tenant or any other person or entity or pursue any other remedy in Landlord's power; (b) complain of delay in the enforcement of Landlord's rights under the Lease; and (c) require Landlord to proceed against or exhaust any security held from Tenant or Guarantor. PORT COMMISSIONERS:

Toby Goddard Dennis Smith Reed Geisreiter Stephen Reed Darren Gertler

TO: Port Commission

FROM: Blake Anderson, Harbormaster

DATE: January 6, 2021

SUBJECT: Authorization to Dispose of Surplus Property – Yamaha Outboard Motors (2)

Recommendation: Declare equipment as surplus property and authorize the Port

Director to dispose of the surplus motors through auction, sale, tradein, donation to charitable organization(s), or disposal in accordance

with Port Commission policies.

BACKGROUND

The following equipment is owned by the Port District and not needed for conducting the Port District's business:

	ROPERTY / QUIPMENT	DESCRIPTION	DATE ACQUIRED	ORIGINAL COST	ESTIMATED VALUE
Outb	2) Yamaha board Motors, 50HP each, Id as a pair	Year 2016, 3100hrs each; fair to good condition, well-maintained	July 2016	\$38,727	\$12,000- \$15,000

Surplus Procedures:

Once authorized by the Commission, the above listed items will be advertised for sale, or sold via online auction (publicsurplus.com). In the event that bids submitted are below the minimum asking prices, staff will determine whether or not the highest offer is reasonable, and if the items should be sold or re-advertised. If no bids are received, the items may be re-advertised, kept for a future sale, donated to a charitable organization, or scrapped.

ANALYSIS

The Port District's Almar patrol vessel was purchased in 1999 with State of California grant funding. The vessel was retired in December 2021 and will be returned to the State for sale at public auction. The vessel's most recent set of motors were purchased by the District in 2016, and have been removed from the vessel. The engines have been prepared for sale and have been computer-analyzed for RPM profile, error codes, and compression. The engines have high hours, but have been well-maintained and are in serviceable condition.

Currently, high horsepower outboard motors, like the ones being proposed for surplus, are in short supply. Staff expects that the motors will be sold at a public surplus auction for an estimated \$12,000 to \$15,000 (total for the pair).

IMPACT ON PORT DISTRICT RESOURCES

Revenue from the sale will be added to the general fund.

The Port Commission last adopted priorities in January 2021. Adoption of the priorities in the January timeframe is ideal, as it can help guide the budget process and establish priorities for Port District management and staff for the coming year.

PORT COMMISSIONERS:

Toby Goddard Dennis Smith Reed Geisreiter Stephen Reed Darren Gertler

FROM: Blake Anderson, Harbormaster

DATE: January 15, 2022

SUBJECT: Harbormaster's Report

Annual Search and Rescue Statistics Update

From January 1, 2021, to December 31, 2021, the Harbor Patrol responded to 102 marine calls for service and took 11 reports for vessel accidents. A total of 66 lives were saved. A "life saved" is counted as any time a person is pulled/rescued from the water, or a vessel (with people on board) is saved from being beached or sinking.

Crab Season

After a lengthy delay, the commercial Dungeness crab season opened on December 16, 2021, in Zone 4 (Pigeon Point to Lopez Point). Local operators reported a steady catch in local waters with the benefit of relatively high ex-vessel prices. The season is scheduled to run through June 30, 2022, but may be modified or restricted if whales are observed in the area.

Parking Coordinator

The District is pleased to welcome new Parking Coordinator Rick Melrose to the operations staff on a full-time provisional basis. Rick has worked at the harbor part-time for 8 years and has gained an excellent understanding of harbor operations including the District's parking equipment, which requires daily maintenance and monitoring.

AB953 Implementation (RIPA)

Effective January 1, 2022, law enforcement agencies statewide are required to submit stop data to the Department of Justice (DOJ) in accordance with AB953: The Racial and Identity Profiling Act (RIPA). Staff has been working with the DOJ and a third-party reporting service to ensure compliance. All Deputy Harbormaster staff have been trained and are reporting data to DOJ any time a person is stopped and detained, issued a citation, or taken into custody. The law aims to eliminate racial and identity profiling and improve diversity and racial and identity sensitivity in law enforcement

CLETS Training

Newly-hired Deputy Harbormaster staff completed California's CLETS (California Law Enforcement Telecommunications System) security training and certification test. The training certificate is required to maintain access to confidential databases and to receive law enforcement information such as DMV records, criminal history, and identification records.

Use of Force Training

All Deputy Harbormaster staff participated in a training webinar detailing current use of force laws. The training covered changes brought by AB392, which modified the legal language that applies to use of deadly force, and force which results in great bodily injury. The training also covered the public duty doctrine and obligations of peace officers in the course of duty.

Quarterly Range Training

All Deputy Harbormaster staff participated in a quarterly firearms training on December 15, 2021, in Watsonville. All staff qualified and new staff had the opportunity to receive comprehensive instruction in firearms safety, tactics, and the use of less-than lethal devices.

Fisheries Report

The fisheries report consists of data from two sources: the Department of Fish and Wildlife (DFW) and the H&H Fresh Fish (resident fish buyer). The data from DFW is partially redacted in accordance with federal fisheries laws. Data is considered confidential when less than three separate vessels land species at any one port. For species landed by three or more separate vessels, the full data is made public and includes weight and value. For other data, the species landed is shown with no weight data.

Assembly Member Mark Stone 29th Assembly District 701 Ocean Street, Suite 318B Santa Cruz, CA 95060

Dear Assembly Member Stone: Mark:

The Santa Cruz Port District recently received \$71,364 in funding from the State's \$100 million budget allocation specifically designated to address COVID-19 related fiscal impacts on independent special districts. On behalf of the Santa Cruz Port District, I would like to thank you for your support of this funding.

As you know, this funding arrives after special districts across California experienced significant budgetary impacts as a result of the COVID-19 pandemic. Throughout 2020 and 2021, California's special districts provided essential services to their local communities and maintained a large portion of the state's critical infrastructure, but initially did not receive any of the COVID-19 relief funding made available to cities and counties.

We appreciate your continued support of the Santa Cruz Harbor and other local independent special districts.

Sincerely,

Reed Geisreiter
